

# bogstav musikanterne

I materialet **BYG og STAV** bruges røde og blå klodser til at vise antallet af vokaler og konsonanter i et ord, så der er en visuel hjælp for børnene når de skriver.

**Legoklodser kan købes enkeltvis på hjemmesiden: <http://shop.lego.com/pab/>**

Det er desværre ikke muligt at købe duploklodserne på denne side.

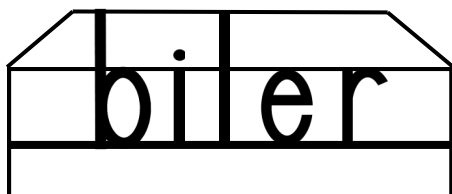

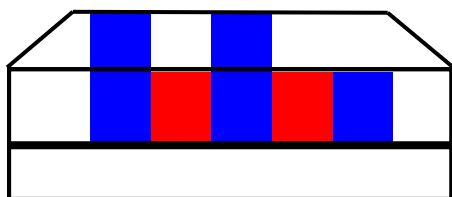

## **børnehaveklassen (niveau 1)**

- Lego til makkerpar:  
6 små røde og 8 små blå = 14 klodser (koster 11,50kr.)

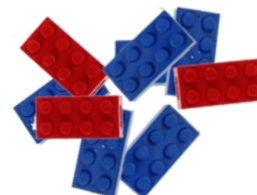

## **1.-2. klasse (niveau 2-5)**

- Lego til makkerpar med brug af skrivehus:  
12 små blå, 8 store blå, 8 små røde, 2 store røde = 30 klodser (koster 30,50 kr.)

Ved at inddrage både store og små klodser i niveau 2-5 vises bogstavernes placering i skrivehuset og børnene lærer bogstavhøjden.

- Lego til makkerpar uden brug af skrivehus:  
10 små røde og 15 små blå = 25 klodser (koster 20,50 kr.)

# Pick A Brick

Buy individual LEGO bricks, elements and miniFigures to expand your LEGO collection!

Simply add your individual bricks to your Pick A Brick Bag. Once you have chosen your individual bricks & miniFigures click 'Go to Shopping Cart' to continue your LEGO online shopping trip and complete your order.
